AVON, VILA & THE DOCTOR

WILL BE WAITING TO SEE YOU ON

SUNDAY, NOVEMBER 9 - 11am to 8pm

Space Ship and Tardis are landing at the

PHILADELPHIA HILTON HOTEL

34th & Civic Center Blvd. (across from the Civic Center)

Due to Jon Pertwee's bout with hepatitus, he is unable to join The Tour at this time. However, Paul Darrow & Michael Keating will join with Patrick Troughton to make up for his absence. As much as we will miss seeing Jon, we want him to recover and not do too much too soon.

Many have wondered what would happen if The Doctor and Blake's 7 crew would meet. **WONDER NO LONGER!** Get your advance tickets for only $10 at Ticketron or Teletron (still under the name of A Day with Jon Pertwee) or admission is only $12 at the door. What a bargain for these three popular celebrities appearing here for the first time together. **CALL YOUR FRIENDS AND TELL EVERYONE YOU KNOW!**
We have included an info sheet suitable for posting to spread the word around, **PLEASE** take the time to post it where it will publicize this fantastic event; school campus, super markets, just pass it around. The unfortunate part is the short notice regarding the change of guests and we want to inform as many people as possible. How would you feel if you found out too late?

There is also an additional fun event...Dinner with the Guests held at 8:30pm at the Hilton Hotel. There is only room for sixty guests and the price is $30 per person or $50 for two persons. Reservations may be made by calling Mimi Oakley at 1(609)275-9452

MESSAGE FROM THE DECEMBER POMS...KEEP DECEMBER 13 open for our GOODWILL HOLIDAYS AROUND THE UNIVERSE PARTY. 2pm until midnight will be filled lots of fun, food and frolicing in the holiday spirit. More news will be forthcoming in the next newsletter.

Speaking of newsletters, this is only a Bulletin to inform you of these events. We thought you should be informed of all the goings on regarding conventions. We are working on an expanded issue to be mailed around the later part of November.

NOTICE TO ALL TOM BAKER FANS... The DWBulletin reported in their October Issue in passing that he had gotten married again in April. No one seems to have known and apparently the British Press has not reported it either.

Please be advised that all mailings from The UnEarthly Children will bear our logo. If you receive other fan club related mail, it has not been authorized by the UEC, nor have we released your name to anyone else.

This has been a quickly processed bulletin, and we apologize for any typos, etc. However, we are working very hard to keep you informed on any and all activities going on in the Who World Universe. Further information regarding same can be obtained by calling Cecily at (215)355-3992 or Dorrie at (215)357-7245.
